Payroll Processing & Tax Filing Services

Your time is limited. And so are your resources. So instead of agonizing over payroll and spending countless hours trying to figure out the new tax laws, why not let a trusted expert handle that for you? You know your business and we know ours. Focus your time on the important matters—your business.

SHIFT YOUR FOCUS TO GROWING YOUR BUSINESS

We have been working with hundreds of satisfied clients. Each payroll period you can phone, fax, email or use your PC or the web to submit your payroll information to us. And we'll take it from there—processing your payroll; emailing reports to you immediately upon processing; handling the transfer of funds for direct deposit; calculating, filing and reconciling your payroll taxes and delivering your payroll checks right to your door. You'll be impressed by how smoothly everything runs when your payroll, tax filing

and reporting needs are handled. Client service is our main focus and our goal is to be an extension of your staff. We assign a professional and courteous Payroll Specialist to work with you, to understand the intricate details of your business and to be available for any questions you may have.

When PrimePay handles your payroll tax filing and payments, it's our responsibility to comply with all the new tax laws and ensure that your taxes are filed accurately and deposited on time—guaranteed. We assume complete responsibility for all Federal, State and Local (where applicable) payroll tax deadlines so you will never pay a late penalty again.

Each payroll period, you will receive a complete payroll and tax package, including your payroll checks, direct deposit notices and a number of easy-to-read yet comprehensive reports.

THE BENEFITS ARE CLEAR
