

# COMPLIANCE NOTICES

Employers are required to give employees a variety of notices concerning their rights and responsibilities. The Affordable Care Act (ACA) added to the already overwhelming amount of mandatory notices for employers to remain compliant. The process of collecting and completing these notices are time consuming. Let us reduce the impact of this burden on your work load.

## Full Service

Davidow Financial & Insurance Services, Inc. Full-Service ACA Notice Service takes the work of completing the required notices out of your hands. Simply fill out our short intake form and we do the rest for you. Within days you'll receive completed required notices in your inbox.
